

PRIVACY POLICY

The present website (<https://inno-comp.hu>) is owned by Inno-Comp, LLC. (Cg. 05-09-007486).

The protection of your personal data is important to us. Under the present Privacy Policy, you may find the applicable rules regarding the management of your personal data, pursuant to Directive No. 2016/679 of the European Parliament and of the Council (EU) on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and Act No. CXII. of 2011 on the freedom of information.

1. For what purposes do we manage your personal data?

Should you provide your personal data on the present website, we may process and manage them for the purposes listed below.

1.1 To answer your questions or to communicate with you

Upon contacting us by using the online contact forms, or sending us an e-mail using the e-mail address listed on our website, your personal data may be managed and processed by us.

We may process and manage your name, address, contact details (including your e-mail address, phone number, company name), as well as any and all other information provided by you to us by filling in a field to be completed or by sending us an e-mail.

We manage the information provided by you pursuant to your consent, which you may withdraw at any time.

1.2. For the technical and functional operation of the website

We may also process your personal data in order to enable you to find information faster and easier, improving thus the accessibility and operation of the present website.

We may manage your IP address, Internet browser, visited web pages, previous / next visited web pages and the duration of your visit.

We manage such information for the purpose of our legitimate business interests, in order to achieve a better understanding of the way our customers interact with our websites.

2. To whom may we transfer your personal data?

INNO-COMP KFT.

H-3580 Tiszaújváros, Vegyészek útja 8.
Tel.: +36 49 542 084, Fax: +36 49 522 509
E-mail: innocomp@innocomp.hu
www.inno-comp.hu

Your personal data shall not be transferred to any third parties, unless explicitly stipulated otherwise under relevant legal statutes.

3. How do we ensure data security?

We manage your personal data in a confidential manner, and we take measures aimed at the prevention of any loss or illegal processing of the pertinent data. We operate numerous safeguarding mechanisms, including secured servers and firewalls.

4. How long do we store the personal data?

Your personal data shall be stored for a period during which they are essential to the fulfillment of the purposes stipulated under the present Policy.

5. Personal Data Rights

You shall be entitled to various rights regarding your personal data. Pursuant to relevant legal statutes, you have the right to request a copy of your personal data and be granted access to them, if applicable. You have the right to request the correction and deletion of personal data or to request their restricted use, or to object to their use. You may also withdraw your consent, by which you have provided your personal data, at any time. However, the withdrawal of your consent may not affect the legitimacy of personal data processing prior to the withdrawal. You have the right to file a complaint with the supervising authority.

Should you intend to exercise your rights related to Your personal data, please send Your request via e-mail to the e-mail address szucs.szilvia@innocomp.hu.

Enforcement of Rights related to Data Management

Pursuant to Act CXII of 2011 on the right to self-autonomy and freedom of information (hereinafter referred to as "Information Act.) 38. Section 2, the National Authority for Data Protection and Freedom of Information (hereinafter referred to as: Authority) is responsible for monitoring and promoting the exercise of any and all legal rights related to the protection of personal data as well as the freedom to information regarding data of public interest or public data of the aforementioned nature (<https://naih.hu/panaszuegyintezes-rendje.html>).

Please contact our company upon experiencing any illegal data management in order to enable for the legal compliance to be restored within a short period of time. We shall do our best to resolve the problem presented in your best interest.

Should the legal compliance be impossible to restore according to your opinion, you may file a complaint by using the following contact details:

National Authority for Data Protection and Freedom of Information
Mailing Address: 1530 Budapest, P.O. Box: 5.
Address: 1125 Budapest, Szilágyi Erzsébet fasor 22/c
Telephone: 36 (1) 391-1400
Fax: 36 (1) 391-1410
E-mail: ugyfelszolgalat@naih.hu
URL <https://naih.hu>
coordinates: N 47°30'56"; E 18°59'57"

6. Links to other domains and social media

Links to access other domains are present on the website. Although we have carefully selected these domains, we shall not take any liability for personal data being processed through these domains.

7. Use of cookies on the present website:

Cookies are small files created by the visited website that are placed on the user's computer by the website you are visiting in order to be able to identify the occurrence and time of such visit. The service provider informs the visitor of the website of the aforementioned. By using cookies, the website remembers your domain settings and offers locally relevant content. The purpose of data management is to provide additional services, identification and the tracking of visitors. We do not manage personal data by the use of cookies. Data scope: unique identification number, date and time, settings data.

You have the option of deleting the cookies from the respective browsers under the Settings menu at any time.

8. The present website uses the Google Analytics application:

The Google Analytics compiles a report based on internal cookies (cookies) regarding the website user habits, as well as other reports regarding the website activity. In order to hinder and prevent data abuse or misuse, the data are stored by the Google servers in an encrypted format.

Disabling Google Analytics can be performed as follows. Quote from the website:

"Website users who do not wish for the Google Analytics JavaScript to report on their data may install the Google Analytics opt-out browser plug-in. The aforementioned plug-in disables the Google Analytics JavaScript (ga.js, analytics.js, and dc.js) to send information to the Google Analytics system. The browser plug-in may be used in the majority of contemporary browsers. The Google Analytics opt-out browser plug-in does not prevent data from being sent to the website itself and to other Internet analytics services."

9. May persons under 16 years of age provide personal data?

Persons under the age of 16 may only provide their personal data subject to a written permission of consent issued by one of their parents or legal guardians after having read the present Privacy Policy.

10. Who may you contact with questions regarding the management of your personal data?

You may inquire about your personal data at any time by submitting your request to the e-mail address szucs.szilvia@innocomp.hu. In order to process your request, we shall ask (and therefore process) for your name and contact information.

11. Hosting provider:

Name / Company Name: WEB-CONTROL KFT Szolgáltató, LLC. (Cg 09-09-019576)
seated at: 4027 Debrecen Viola utca 5
E-mail: info@web-control.hu

The information provided by you is hosted on a server operated by the hosting provider. Data may only be accessed by our colleagues or by the server operating staff, all of them being nevertheless responsible for the safe management of any and all data. The purpose of data management is to ensure the operation of the website. The personal data provided by the pertinent individual shall be managed until the website is in operation or as stipulated under a contractual agreement concluded between the website operator and the hosting provider. The pertinent individual may also ask for the deletion of his or her data by contacting the hosting service provider as needed. The legal basis for data management is the consent of the pertinent individual as well as legitimate data management as stipulated under the relevant legal statutes.
